

# TRAITS OF AN EFFECTIVE LEADER

As Understood by Aubury Holmes

# VISIONARY

The team will be in disarray & the mission will never be completed without it!

Not always seen clearly by those that follow the leader...

*Where we going, Boss?*

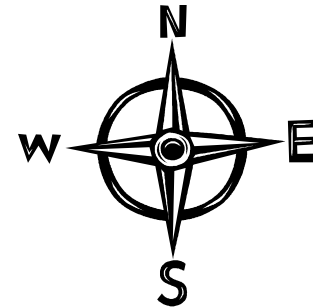

**“Without revelation [vision] people run wild, but one who listens to instruction will be happy.”**

# MORAL

- Leads by example; Lives by “R-I-C-H” values
- Trusted by teammates
- Treats others like he would want them to treat his family

*The straight and narrow...*

“whatever you want others to do for you, do also the same for them”

# COMMUNICATOR

*Can you hear me now?*

Without being able to clearly communicate the vision; the team will be confused and become discouraged.

**“A word spoken at the right time is like gold apples on a silver tray.”**

# EDUCATOR

*Class is in session!!!*

Able to teach others to see the uniqueness in and to have a greater understanding of; the subject matter and all related topics

“Wisdom will multiply your days and add years to your life.”

# TEAM BUILDER

Surrounds himself with persons whose strengths complement each other to create an effective team; NOT always like-minded individuals...

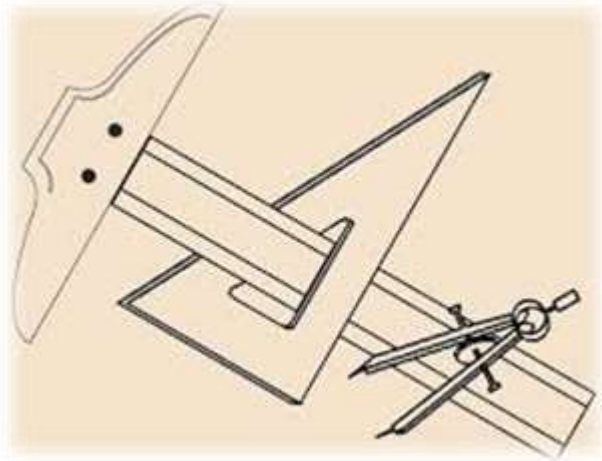

**TOGETHER WE ACCOMPLISH GOOD!**

“...work together for the good...”

# DEVELOPER

- Is able to harness the potential seen in others
- Develops new leadership

*I see greatness in you...*

“As iron sharpens iron, so one man sharpens another.”

# ACTION TAKER

- Explorers – blaze the trail
- Pioneers – refine the trail
- Settlers – live off the trail

“...If it is just faith and nothing more; if it doesn't do anything...”

# MOTIVATOR

**RAH! RAH! SIS BUM BA!**

Cheers team on and genuinely cares about each member's personal development; uses action, reaction or speech to motivate

“Keep running the race that is before you with endurance...”

# MOTIVATION

What motivates YOU??
