

Classes will either be in the Community Services (CS) building or in the Technology & Workforce Development Center (TW) building, both located on the South end of campus.

Buildings are marked with white stars and parking (P) is also indicated on the map.

ATTENTION!!

Due to repairs being made to the Community Services parking lot starting on May 12th, parking will be unavailable there. Please park in either the lot across the street from the Technology & Workforce Building or in the lot that is located diagonally from the TW building next to the baseball complex.
