A scenic photograph of a sunset over the ocean. The sun is a bright, glowing orb positioned just above the horizon, casting a long, shimmering path of golden light across the dark blue water. The sky is a deep blue, with wispy white and orange-tinted clouds scattered around the sun. The overall mood is peaceful and majestic.

# **Texas Type 3 All Hazard Incident Management Teams**

# **Welcome to the 3<sup>rd</sup> Annual Meeting**

- Introductions
- DPS by Region
- AHIMT by Region
- TDEM by Region
- SOC Team

# Reason for Incident Management Teams.

- *Increase local response*
  - *Supplement the State response*
    - *Assist with National Responses*

# **Team Membership**

- **Members can choose to serve locally with the team on local responses and need no MOU.**
- **In order for members to make State or out of State responses they must have an active MOU with the Texas A&M Forest Service.**

# Membership

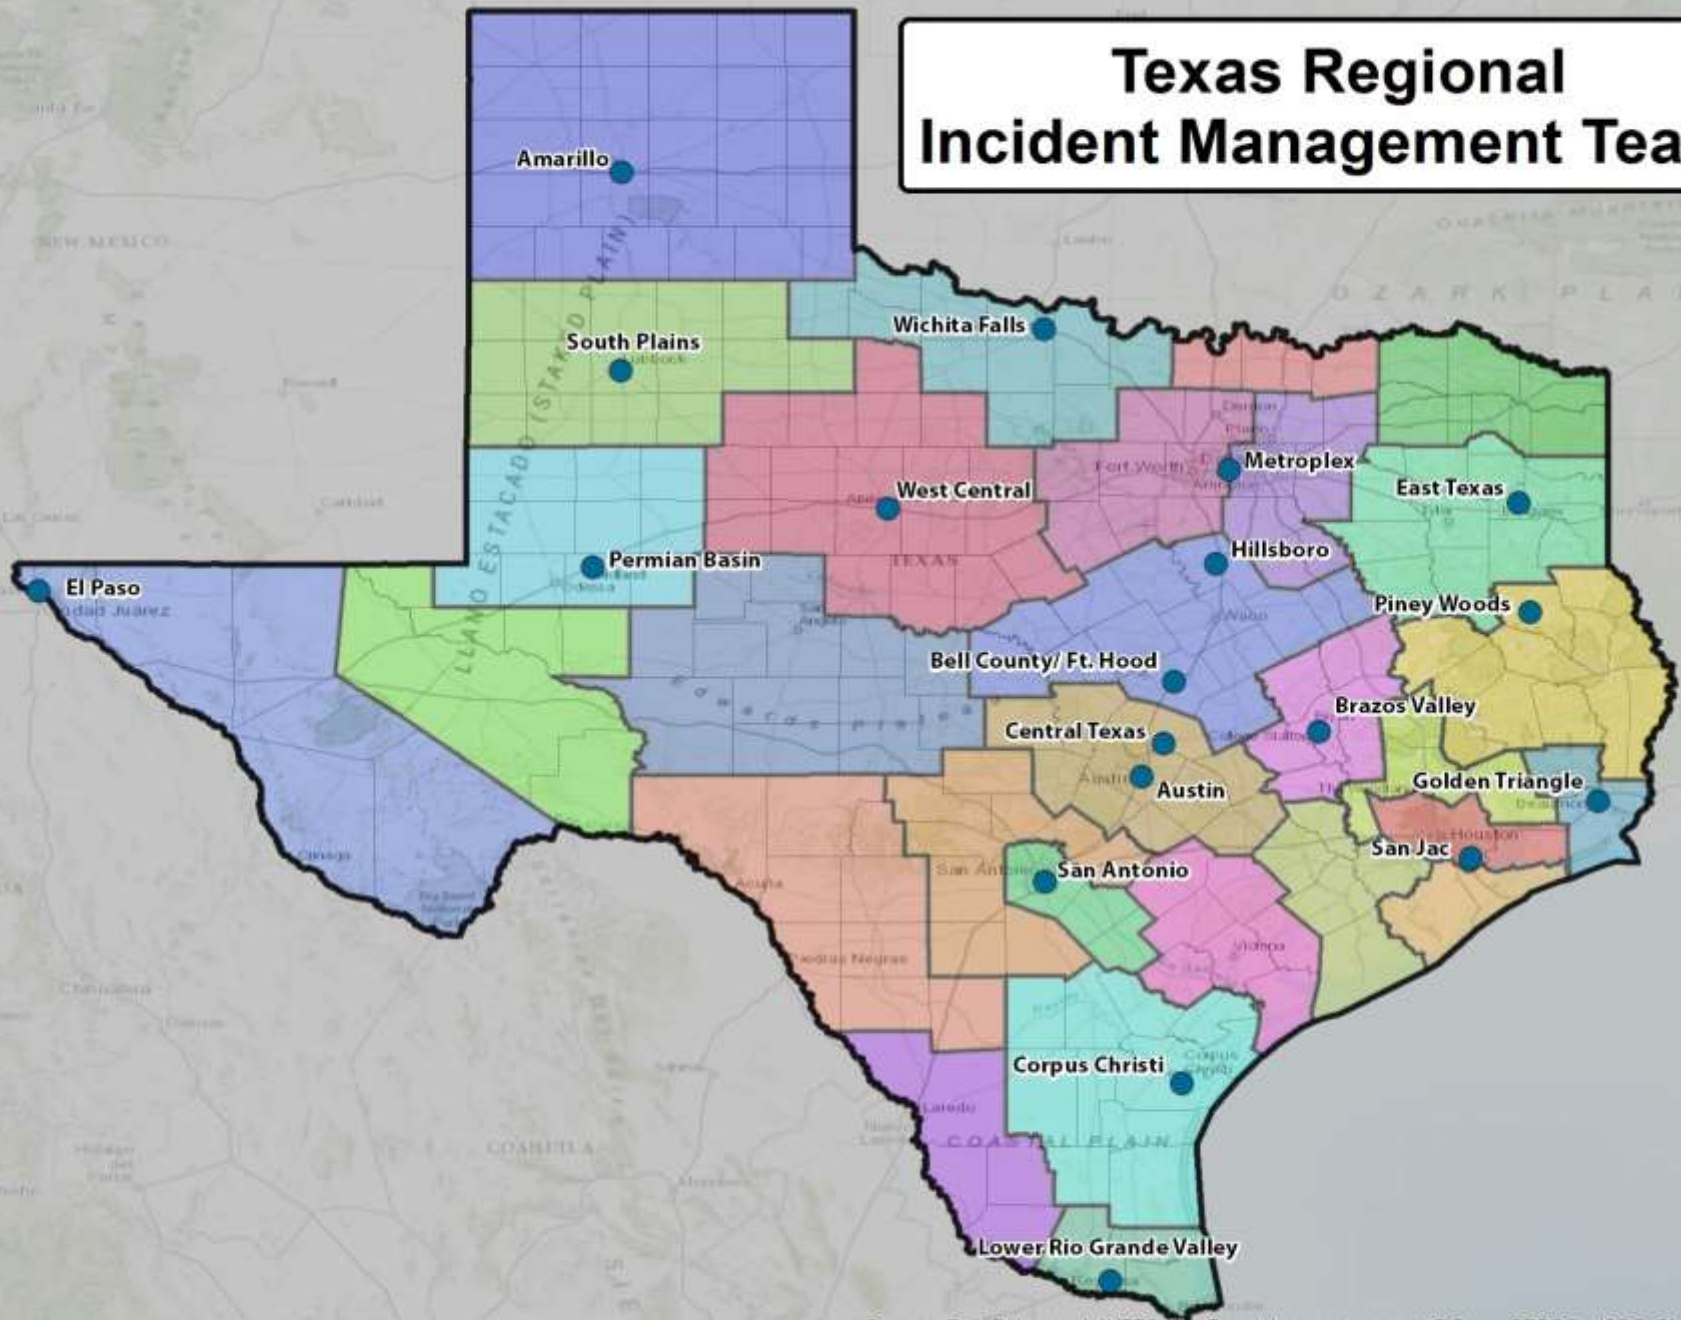

- Currently we have 373 Individual MOU's with all teams.
- 120 of these are renewed members.
- Since last year we have had 34 memberships cancelled. 10 of those because they are TFS employees now.

# **DDC/ Local IMT Coordination**

**The Regional Steering Committee Members will be in contact with each of the AHIMT in their Regions.**

**They will assign the teams to the DDC's in some cases this is pretty easy, in others it will take some coordination.**

# IMT Roles in 2016

- DDC Support
- DDC Staging Area Support
- Local Government Support

# Support at DDC

- Support DDC Chair
- Support District Coordinator
- Resource Tracking
- Logistics Tracking
- Submission DDC Situation Report to SOC
- SOC Battle Rhythm

# Team Configuration

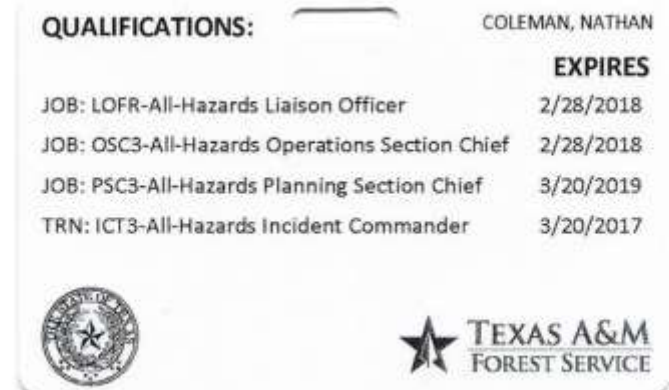

It's better sometimes to just put on the STAR request what it is that you want people to do and let us fill the request.

# Qualifications

- Qualifications guide updated for 2016.
- You can find it posted on the TICC website <http://ticc.tamu.edu/Documents/IncidentResponse/AHIMT/Texas AH Type 3 Qualification Guide.pdf>
- The Qualifications Committee has a 2 week turn around on new qualifications reviewed.
- Qualification cards are being issued in a more timely manner.

# Qualifications

All team members will receive a new qualifications card based on their qualifications in IQS.

**You may have a picture on file, somewhere, but if Chelsea doesn't have it you can't get a new card.**

# IQS

- **This is the same system that the Texas A&M Forest Service uses for it's employees.**
- **All teams have access to this system.**
- **Allows for one site to store all information.**
- **Maintained by the TFS.**
- **This system is used by most state agencies across the USA.**

# Positions

	Qualified	Trainees
<b>Incident Commander</b>	<b>23</b>	<b>41</b>
<b>Safety Officer</b>	<b>25</b>	<b>26</b>
<b>Information Officer</b>	<b>9</b>	<b>27</b>
<b>Liaison Officer</b>	<b>17</b>	<b>30</b>
<b>Finance Section Chief</b>	<b>7</b>	<b>9</b>
<b>Logistics Section Chief</b>	<b>17</b>	<b>39</b>
<b>Plans Section Chief</b>	<b>34</b>	<b>58</b>
<b>Operations Section Chief</b>	<b>30</b>	<b>60</b>

# Training

## Students

# Task Books

- Task books are still issued by the local IMT or other groups.
- The cover sheet is entered into IQS and emailed to [AHIMT@tfs.tamu.edu](mailto:AHIMT@tfs.tamu.edu) for the person to be identified as a trainee.
- Anyone can sign for an assignment on an incident.
- However, the Final Evaluator has to be qualified in that position.

# Operational Readiness Exercise

- Held second ORE in Beaumont Texas
- Attended by over 60 people.
- 22 people worked on task books.
- Simulation was designed to complete tasks in task book for each position.
- Exercise was terminated to respond to actual incident.

# Trainee Assignments

- Texas Interagency ICS and Wildland Fire Academies.
- POC is Chris Angerer :cangerer@tfs.tamu.edu
- Other opportunities will be relayed to team leaders as they develop.

# **Activations**

- **The SOC makes an inquiry as to how many AHIMT we can activate.**
- **We send out a notice by email to the three team leads for each team.**
- **The team leads have two hours to contact their team members and reply.**
- **The TFS then notifies the SOC how many teams are available.**

- **TFS gets a request for an AHIMT for an incident.**
- **TFS contacts closest available team and dispatches them to incident.**
- **If there is a need we will combine two teams to make one.**
- **TFS will always send a TFS Representative with each team deployed.**

# Reimbursement

- Local responses are not reimbursable.
- Requests for teams have to come through WebEOC.
- Requests have to be approved by the SOC for reimbursement.
- You can pick up a reimbursement form at the registration desk, for the conference.

**Thanks for your attention.**
