**DIVISION OF EMERGENCY MANAGEMENT**

# What is a FAR?

- Field Activity Report
  - Used by the front-end users (DC's, IMT's) to provide real time information (push/place) of activities, events, incidents
  - Used by back-end users (SC's, SOC) to receive, monitor, track, information (pull/extract) to create various reports , sitreps, snapshots, etc.

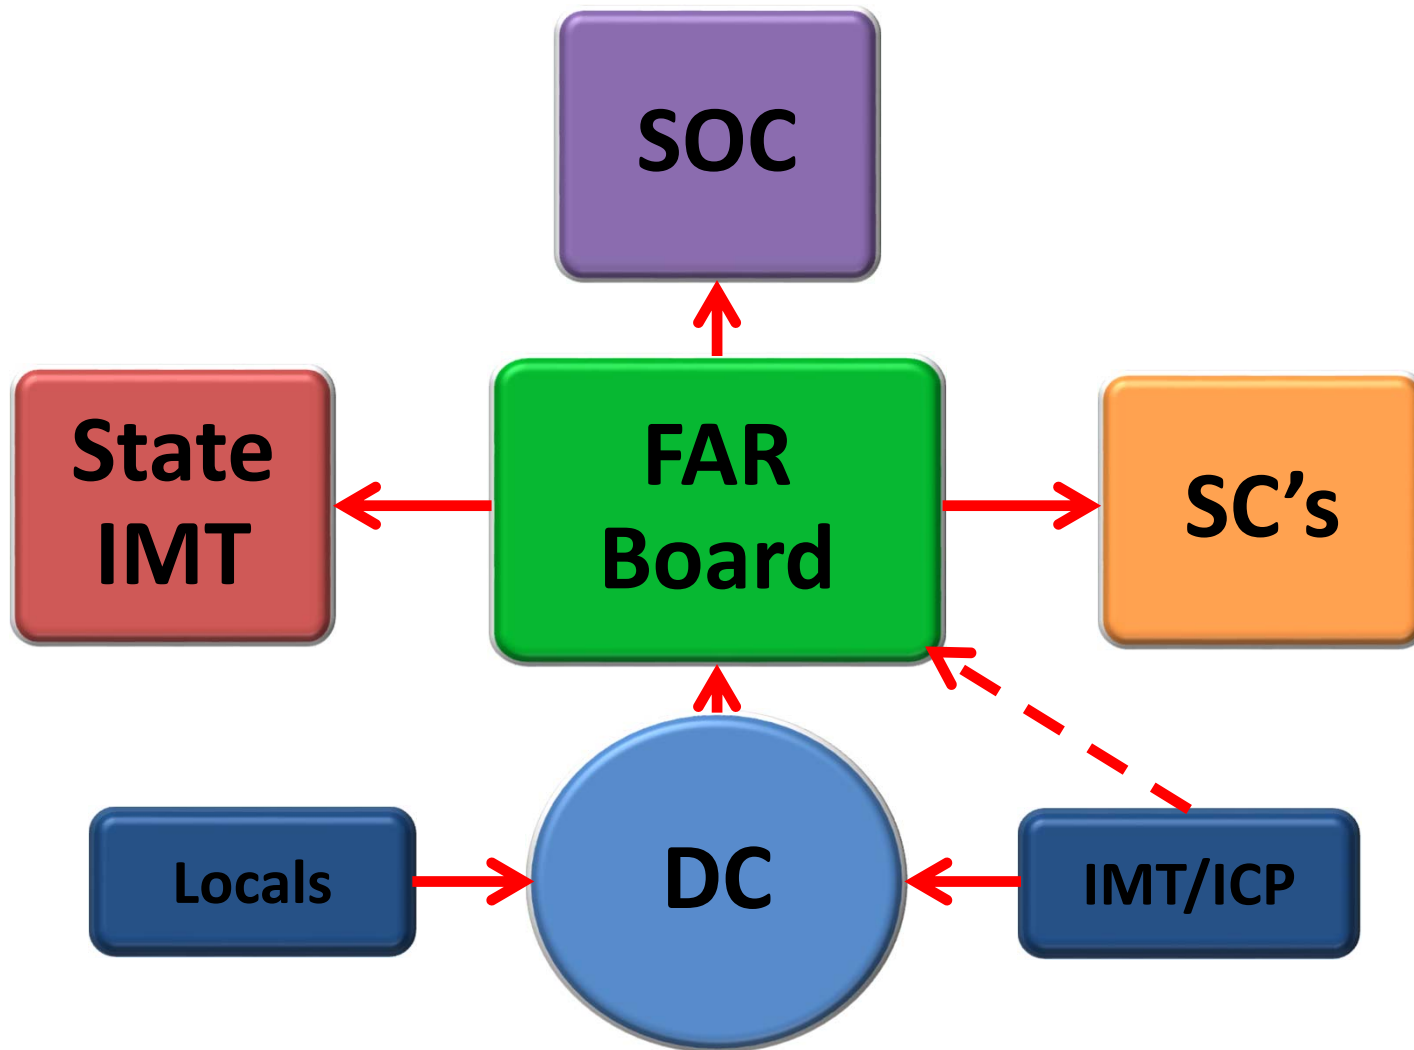

Texas Department of Public Safety

**DIVISION OF EMERGENCY MANAGEMENT**

## “Place” - “Pull” Process

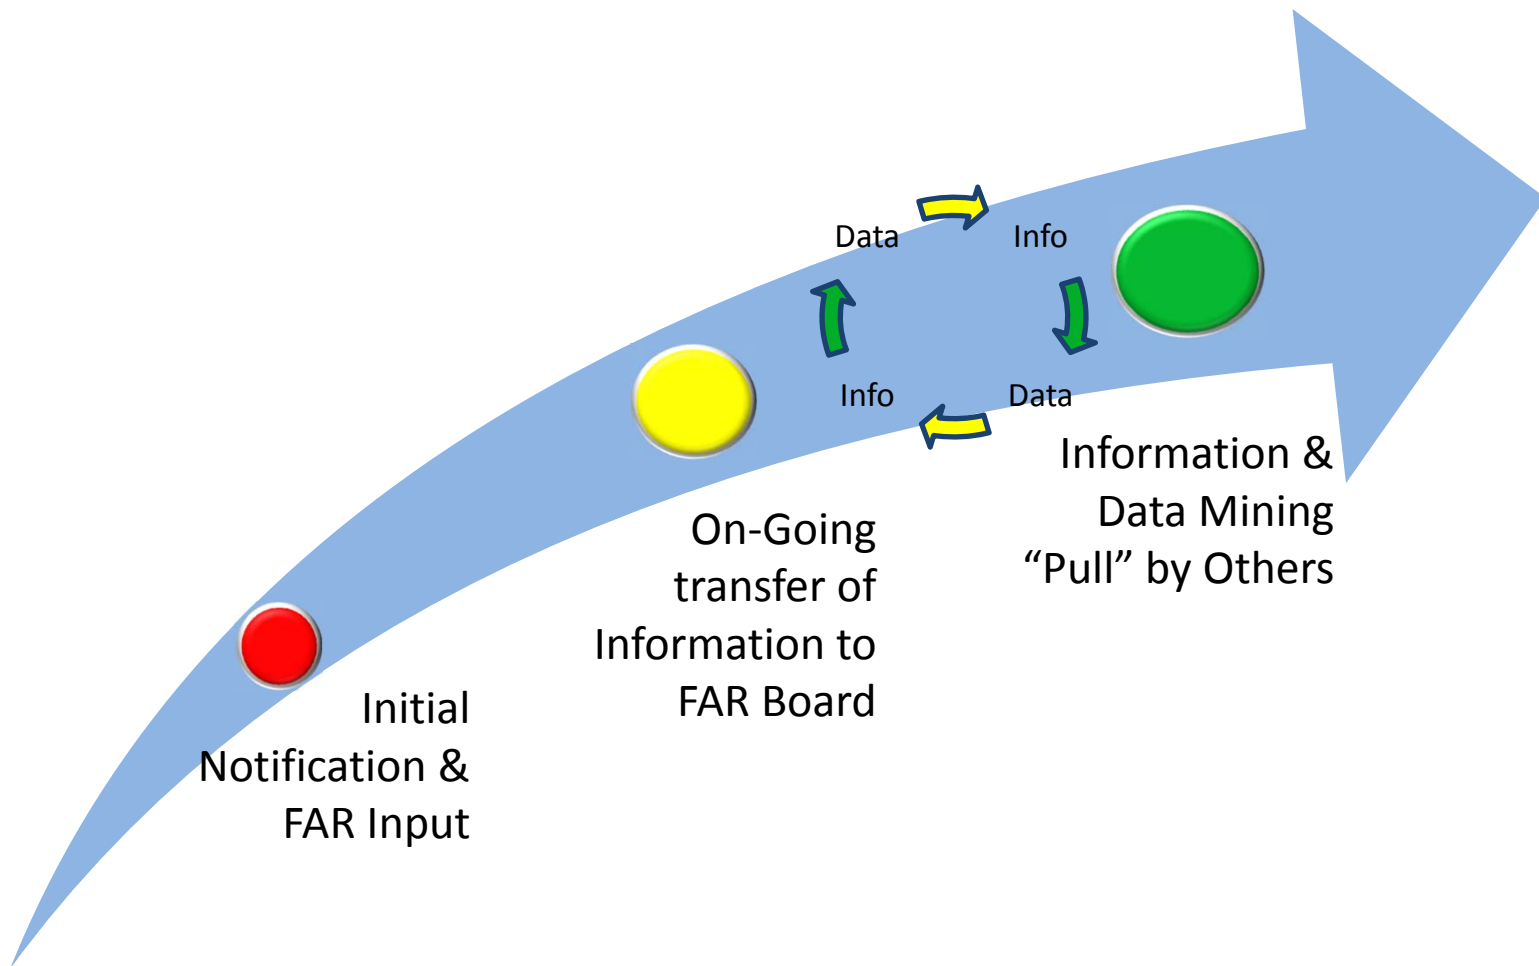

---

Texas Department of Public Safety

**DIVISION OF EMERGENCY MANAGEMENT**

# Information Sharing – Data Collection

Texas Department of Public Safety

**DIVISION OF EMERGENCY MANAGEMENT**

# FAR Process Rationale

---

- District Coordinator Responsible for Initial FAR Board Entry
- District Coordinator Provides Current Information Into Various Tabs
- “Others” Collect Relevant Information “Pull” From Various Tabs
- District Coordinator Continues to Update Information/Data as Received from Locals / Field Resources
- District Coordinator Ensures Updates to Tabs in Conjunction with Specific Reporting Timelines (0500 – 1700)
- “Others” Monitor FAR Board and “Pull” Information/Data to Compile Individual Reports
- Provides Mechanism for Consistent / Accurate Reporting Process from Field to State Operations

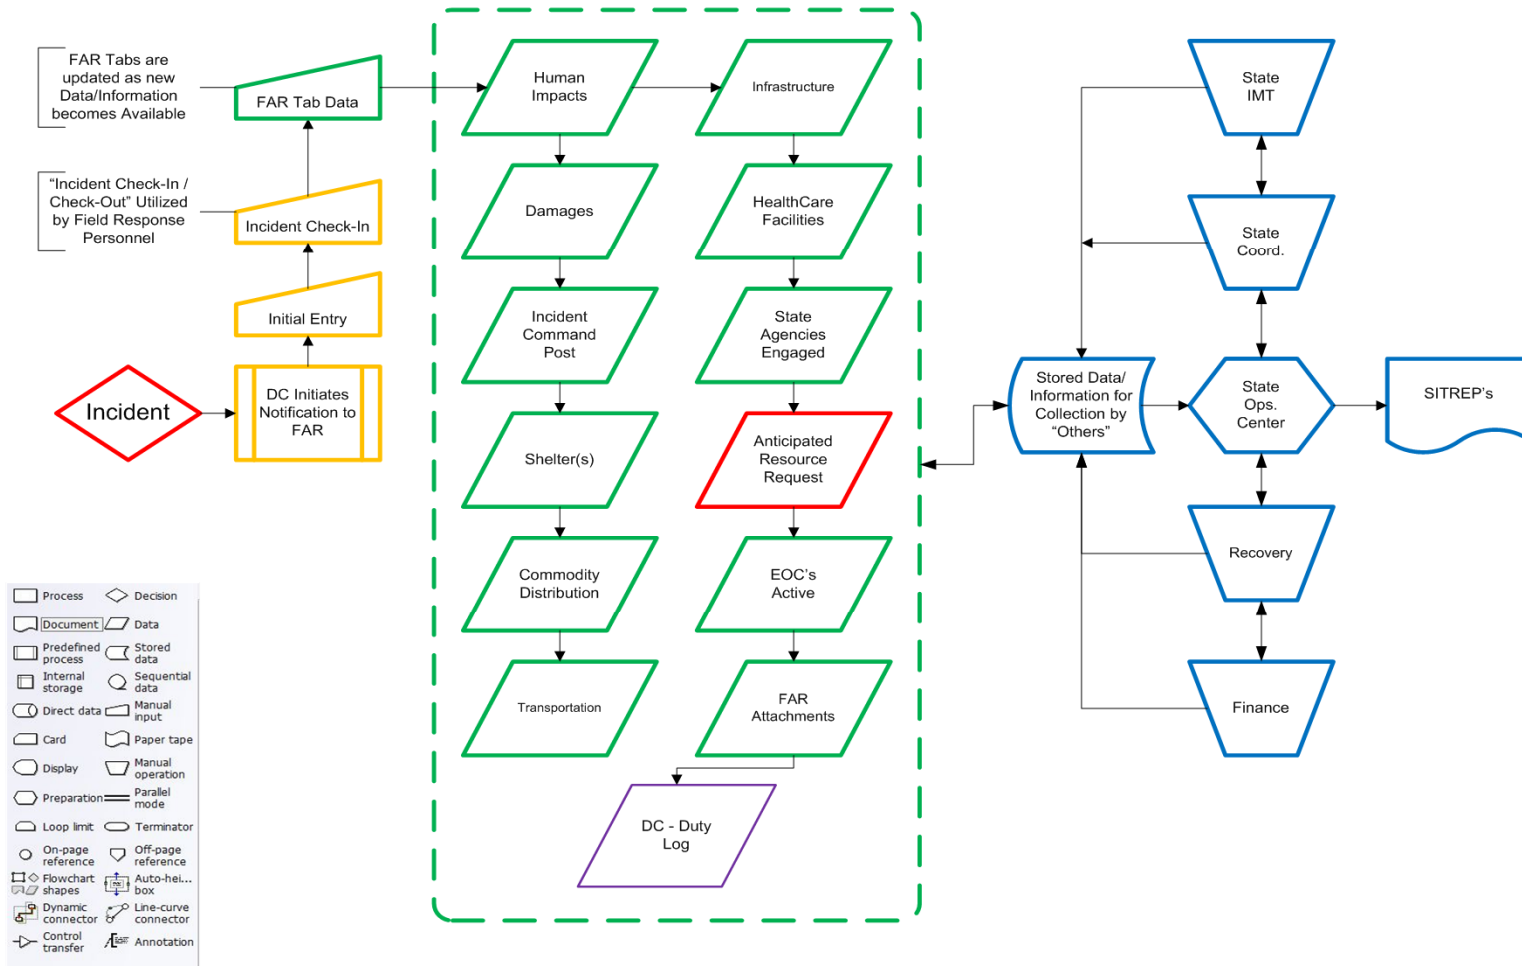

Texas Department of Public Safety

**DIVISION OF EMERGENCY MANAGEMENT**

# Proposed FAR Throughput System

Proposed - FAR Board Process Throughput System

Texas Department of Public Safety

**DIVISION OF EMERGENCY MANAGEMENT**

# FAR Tabs

---

- Additional tabs have been inserted for ease of use
- Others were modified for ease of use

Texas Department of Public Safety

**DIVISION OF EMERGENCY MANAGEMENT**

## FAR Initial Entry - Tab

Consolidated Incident

Consolidated Incident: Daily Operations-Default

General

Report: Initial

Activity Type: INCIDENT

Activity Date/Time: 4/24/2014 08:32:56

Main Type: Natural/Weather

Sub Type: Damages Severe Weather/Wind/Hail

Short Description: Summer Weather Storm - TEST ACTIVITY

DDC/SC: DDC12-Capitol

County: Travis

Address: 100-164 West 15th Street, Austin, TX 78701, USA [Map It](#)

Additional Information

- Provides for Initial Notification of an incident
- “Additional Information Field” – Specific Initial Incident Information
- Intent is to limit “Additional Information” field entries to Initial Incident Specifics. After Initial entry – No more Information is Placed in this Field

# What is a STAR?

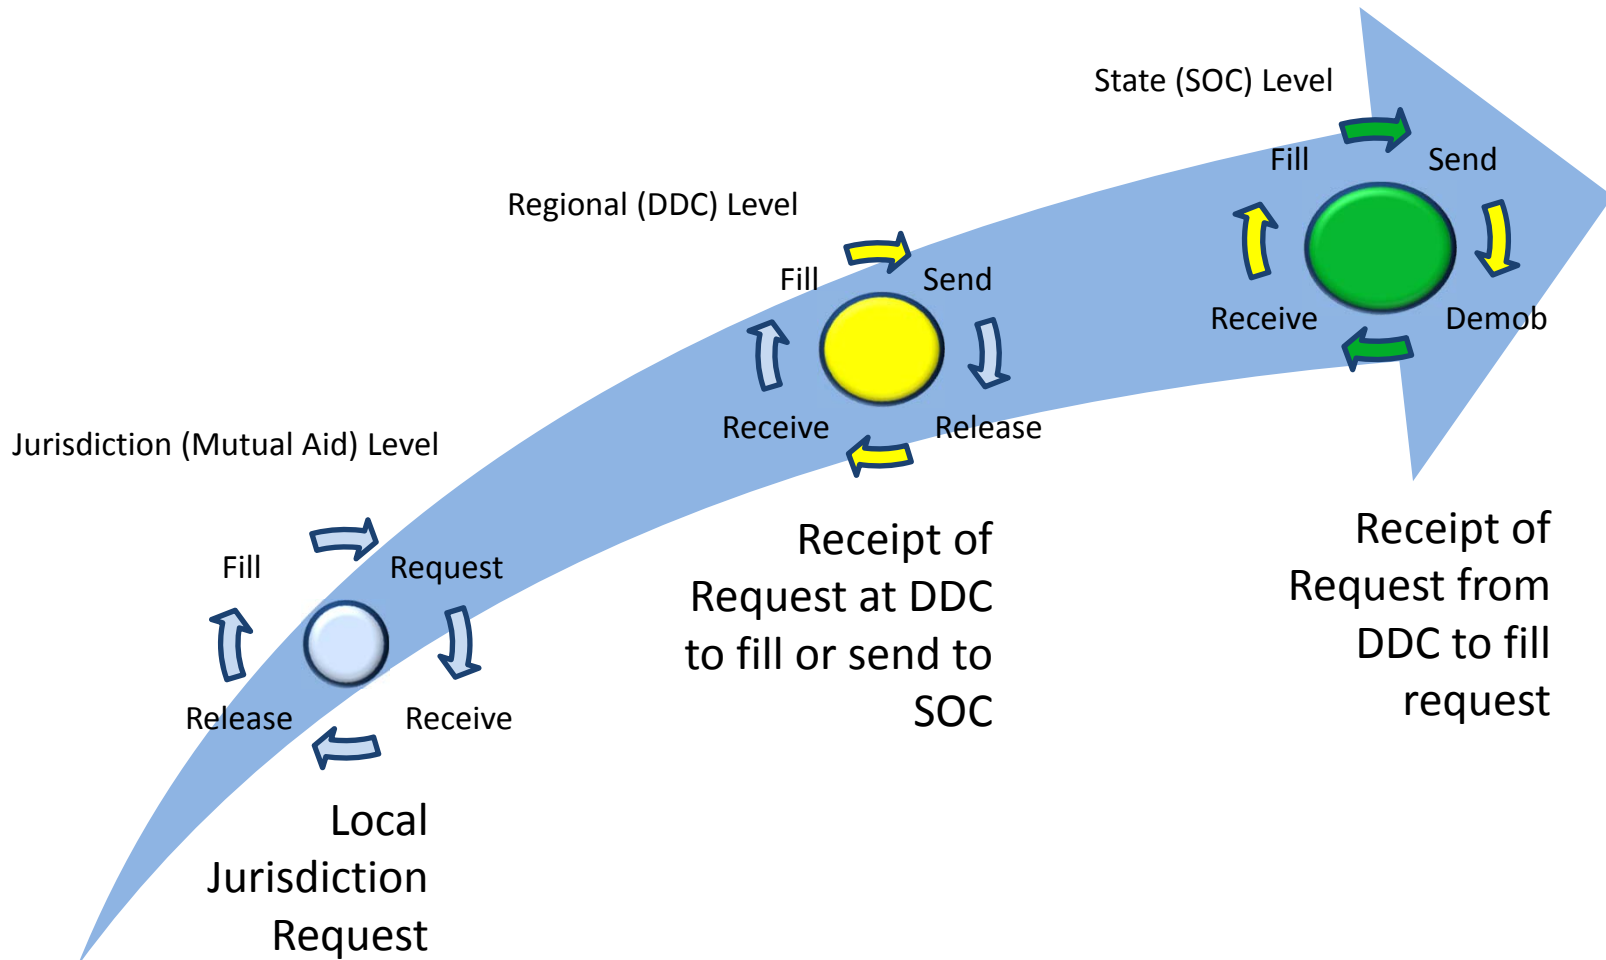

- State of Texas Assistance Request
  - Used by Local Jurisdictions, DDCs, IMTs to submit requests for assistance to include personnel, supplies and equipment
  - Can also be used at the SOC to activate and deploy at all levels
  - Once a STAR is created, Actions are tied to each request to meet the needs of that request. Each action is independent, and actions that have resources needing to be recovered (demob'd) can be tracked

Texas Department of Public Safety

**DIVISION OF EMERGENCY MANAGEMENT**

# Assistance Request Process

Texas Department of Public Safety

**DIVISION OF EMERGENCY MANAGEMENT**

# STAR Process

---

- Allow for all STARs to be visible and tracked at every stage by everyone from requestor to filler(s)
- If STAR cannot be satisfied at current level, elevate to next
- One STAR may have multiple associated “actions”
- “Actions” may be trackable (demob) resources
- A STAR is the Request portion only; associated Actions can Fill, Send, Receive, Release, and Finally Demob Resources. (Note: Only SOC can Demob resources)
- Provides a consistent and accurate Reporting Process from Jurisdiction to DDC to SOC levels

# SOC CLOCK

The screenshot shows a web browser window titled "SOC CLOCK Display - Google Chrome". The address bar contains the URL: <https://lonestar.soc.texas.gov/eoc7/boards/board.aspx?tableid=111&viewid=661&uvid=1.5499>. The page header features the "Texas Department of Public Safety" logo and the tagline "Courtesy ~ Service ~ Protection". A navigation menu includes "DPS HOME", "SERVICES", "EMPLOYMENT", and "ABOUT US". The main content area displays "SOC CLOCK" in a blue box, flanked by two circular logos: the Texas Department of Public Safety logo on the left and the Texas Department of Public Safety logo on the right. Below this, a large grey box with a blue border contains the text "No Active Storm". At the bottom of the interface, there are navigation controls (left and right arrows) and a "Disable Refresh" checkbox. The "intermedix" logo is visible in the bottom right corner.

# EMTF Personnel Check In

The screenshot shows a web browser window titled "EMTF Personnel Check In Display - Google Chrome". The address bar displays the URL: <https://lonestar.soc.texas.gov/eoc7/boards/board.aspx?tableid=182&viewid=1114&uvid=0.3970>. The page header includes a "Functions" menu with options: "Functions", "Display", "About", and "Help". A "Quick Search" input field is located to the right. Below the header, there are four buttons: "Add Personnel", "Update Fields", "Create PDF", and "Demob Personnel List". A "TWIRP v3" logo is visible in the top right corner. The main content area features a "Showing:" section with buttons for "Show All", "Checked In Only", "Checked Out Only", and "Show Deleted Users". A "Time Frame:" section includes buttons for "All" and "Today". Below these are summary statistics: "Personnel Checked In:", "Checked Out:", "Total:", and "Total Man Hours:". A table with the following columns is displayed: "Name", "Check In", "Check Out", "Agency", "Location\*", "Contact Number / Freq:", "Health Form Submitted", "Remarks", and "Hours". The table body is currently empty. At the bottom left, there are navigation controls: "Page 1 of 1" and a "Disable Refresh" checkbox. The "intermedix" logo is in the bottom right corner.

# SOC CLOCK

The screenshot shows a web browser window titled "SOC CLOCK Display - Google Chrome". The address bar contains the URL: <https://lonestar.soc.texas.gov/eoc7/boards/board.aspx?tableid=111&viewid=661&uvid=1.5499>. The page header features the "Texas Department of Public Safety" logo and the tagline "Courtesy ~ Service ~ Protection". A navigation menu includes links for "DPS HOME", "SERVICES", "EMPLOYMENT", and "ABOUT US". The main content area displays "SOC CLOCK" in a blue box, flanked by two circular logos: the Texas Department of Public Safety logo on the left and the Texas Department of Public Safety logo on the right. Below this, a large grey box with a blue border contains the text "No Active Storm". At the bottom of the interface, there are navigation controls (left and right arrows) and a "Disable Refresh" checkbox. The "intermedix" logo is visible in the bottom right corner.

- Labels:** Text and icon tools
- Categories:** Agricultural, Civil Disturbance, Criminal Occurrences, Educational Facilities, Emergency Operations, Energy, Financial, Fire Facilities, Fire Incidents, Functional Needs, General, Geological, Government-Military, Hazmat Facilities, Hazmat Incidents, Infestation, Law Enforcement, Medical, Public Venues, Sensors, Telecommunications, Transportation Facilities, Transportation Incidents, Water Facilities, Weather

The main map area shows a satellite view of an area with several labeled points of interest: "Nueces County Keach Family Library", "Baseball Diamond", "Coastal Bend Aviators Stadium", and "Richard M. Borchard Regional Fairgrounds". A red pin labeled "A" is placed on the fairgrounds. The map also shows roads like "E Main Ave" and "Co Rd 40".

## STAR & Resource Tracking Final Comments

---

- The intent of the STAR is to provide a tool for real-time requesting, filling and resource tracking during incidents/events/activities
- Ease of use for Requestors and Fillers to update and monitor Requests and Resources from start to finish
