Applicant Contact Number:

**Points to consider when reviewing PTB:**

Yes	No	
	<input type="checkbox"/>	Position Taskbook (PTB) was properly initiated by Fire Chief or designee. Agency Certification is not signed.
	<input type="checkbox"/>	PTB has a final evaluator Verification page, signed by a qualified final evaluator, the final evaluator was the last evaluation record and evaluator's recommendation #1 is marked.
	<input type="checkbox"/>	PTB is completely filled out including Names, information, initials, signature, and dates.
	<input type="checkbox"/>	Trainee documents a minimum of one satisfactory ICS 225 performance evaluation, on a wildfire, with PTB.
	<input type="checkbox"/>	PTB is current and completed within 5 years of the first evaluation, and currency was maintained.
	<input type="checkbox"/>	Trainee documents experience in a minimum of two fuel types.
	<input type="checkbox"/>	Trainee documents the minimum of three (3) wildfire evaluations, which provide adequate experience and time for the position being qualified for.
	<input type="checkbox"/>	Trainee documents a minimum of two different evaluators.
	<input type="checkbox"/>	No two evaluation records span the same time frame and every incident or event has its own evaluation record.
	<input type="checkbox"/>	Trainee documents a minimum of one wildfire assignment that spans more than one operational period. (Or a multi operational RX if applicant documents sufficient wildfire experience).
	<input type="checkbox"/>	For National consideration one wildfire assignment must be on a Type I, II or III incident and be multi operational periods with interaction with an established fire organization (IMT Team).
	<input type="checkbox"/>	Trainee documents a minimum of one wildfire assignment that is outside his/hers home unit. (Out of Region recommended)

**Please insure the applicant has completed the following requirements:**

Qualified NWCG FFT2 (Basic Wildland)

Have FFI-ICT5 and ENGB qualification

Completed NWCG STEN PTB and it has been reviewed by the AHJ and meets the points outlined above

Individual has completed **ENGB Task 39** on a wildfire incident and has provided documentation of such.

One of the following training tracks must be completed (check one):

- Crosswalk G330 course for Strike Team Leader and complete:
  - S215 Fire Operations in the Urban Wildland Interface
