TEXAS INTERAGENCY WILDFIRE & INCIDENT MANAGEMENT ACADEMY MISSION

To enhance the wildland firefighters' knowledge, utilizing National Wildfire Coordinating Group Standards, while promoting safe and cost effective operations.

COURSE DESCRIPTIONS

USFS REGION 8 COURSE OFFERINGS

If you are interested in attending the following classes, please visit the following website:

https://nationalfiretraining.nwcg.gov/schedule/list/show/25/filter/dates_future/sort/dates_asc/page/1.

Information on the courses, nomination forms, and where to send the forms can be found on the site.

Registration is not available through TIWA.

S-371 Helibase Manager Cost: TBD

This course provides students with the necessary skills to perform as a helibase manager through facilitated discussions and group exercises. The final exercise is designed to give students a realistic helibase manager experience which prompts the student to communicate, resolve issues, and make decisions in support of an incident.

****Prerequisite(s):** Qualified as Helicopter Manager (HMGB); satisfactory completion of pre-course work

BEAST Basic Engine and Suppression Tactics Cost: \$130.00/ \$150.00

This course will introduce students to basic wildland engine suppression tactics in both the rural and wildland urban interface settings. Students will also be introduced to basic engine terminology, structure triage, hose operations, and foam and water use practices to optimize the water available. The course consists of 8 hours of classroom studies and 8 hours of field work.

**Not an NWCG course*

****Prerequisite(s):** NONE

DOZ OPS TFS Dozer Operations and Maintenance Cost: \$130.00/ \$150.00

This course is designed for the equipment operators that will be working in a wildland fire environment. It will cover basic dozer and heavy equipment tactics, safety, personal protective equipment, and supervision.

**Not an NWCG course*

****Prerequisite(s):** Successful completion of S-130/190

L-280 Followership to Leadership Cost: \$130.00/ \$150.00

This training is designed as a self-assessment opportunity for individuals preparing to step into a leadership role. The course combines one day of classroom instruction followed by a second day in the field with students working through a series of problem solving events in small teams. Topics include: leadership values and principles, transition challenges for new leaders, situational leadership, team cohesion factors, and ethical decision making. Target group for this course is personnel desiring to be qualified as a single resource boss.

****Prerequisite(s):** Experience on incident assignments in operations or support functions; successful completion of L-180; satisfactory completion of pre-course work.

PMS-419 Wildland Engine Operator Cost: \$325.00/ \$375.00

This course covers foreman duties, engine maintenance, structure triage, hazardous materials, and use of foam and retardant.

****Prerequisite(s):** Successful completion of S-130/190, S-211, S-131; FFT2 qualified; satisfactory completion of pre-course work

*****Students are encouraged to bring their own engines. Please notify the academy coordinator if you plan on bringing your own engine.**

S-130/190 (includes I-100 & L-180) Firefighter Training/ Introduction to Wildland Fire Behavior Cost: \$325.00/ \$375.00

This introductory course is designed to train entry-level firefighters. The student will gain an understanding of the basic incident management organization, firefighting techniques, suppression equipment, safety, strategy/tactics, along with basic fire behavior. Field exercises will be performed for valuable hands-on training. This course is designed for entry-level firefighters. NO PACK TEST WILL BE GIVEN.

****Prerequisite(s):** NONE

***** You will be "camping out" at the state park the last night of class. Please bring a sleeping bag, pillow, and tent (just in case) for this night if you are staying in a hotel for the rest of the time.**

S-131 Firefighter Type I Cost: \$130.00/ \$150.00

This course is designed to meet the training needs of the Firefighter Type 1 (FFT1) and/or Incident Commander Type 5 (ICT5). This course is designed to be interactive in nature. It contains class discussion and several tactical decision games designed to facilitate learning the objectives. Topics include: operational leadership, communications, LCES and tactical decision making.

****Prerequisite(s):** Qualified as a Firefighter Type 2 (FFT2)

S-200 Initial Attack Incident Commander (ICT4) Cost: \$130.00/ \$150.00

This course is designed to meet the training needs of the ICT4 and is presented in a discussion/exercise format. The six instructional units include Foundation Skills; Intelligence Gathering and Documentation; Size Up the Incident; Develop a Plan of Action; Post-fire Activities; Evaluating Objectives; and Manage the Incident.

****Prerequisite(s):** Qualified as any Single Resource Boss; satisfactory completion of pre-course work.

S-211	Portable Pumps and Water Use	Cost: \$195.00/ \$225.00
<p>This course gives the student practical knowledge and application skills of portable pump operations. The course consists of three skill areas: supply, delivery, and application of water. Field exercises train the student in the set-up, operation, and maintenance of pump equipment. The class is intended for individuals desiring to gain competency in the use of potable pumps and water.</p> <p>**Prerequisite(s): NONE</p>		
S-212	Wildland Fire Chain Saws	Cost: \$260.00/ \$300.00
<p>This course provides an introduction to the function, maintenance, and use of internal combustion engine powered chain saws, and their tactical wildland fire application. Field exercises support entry level training for firefighters with little or no previous experience operating a chain saw, providing hands-on cutting experience in surroundings similar to fire line situations. This class is targeted to those desiring to be qualified as firefighter type 1 (FFT1), incident commander type 5 (ICT5), or felling boss (FELB).</p> <p>**Prerequisite(s): Qualified as a Firefighter Type 2 (FFT2); satisfactory completion of pre-course work.</p>		
S-215	Fire Operations in the Wildland/Urban Interface	Cost: \$195.00/ \$225.00
<p>This course is designed to assist structure and wildland firefighters who will be making tactical decisions when confronting wildland fire that threatens life, property, and improvements in the wildland/urban interface. Instructional units include: interface awareness, size-up, initial strategy and incident action plan, structure triage, structure protection tactics, incident action plan assessment and update, follow-up and public relations, and firefighter safety in the interface. This course is required training for the position of ICT4 and Strike Team Leader.</p> <p>**Prerequisite(s): Students should be FFT1 qualified</p>		
S-219	Firing Operations	Cost: \$195.00/ \$225.00
<p>This course introduces the roles and responsibilities of a firing boss (FIRB) and outlines duties of other personnel who may engage firing operations. The course also discusses and illustrated common firing devise and techniques. This course now has a blended approach to learning, which means students are required to complete the online portions of the course prior to taking the instructor-led training.</p> <p>**Prerequisite(s): FFT2 qualified and successful completion of <u>required</u> online training.</p>		
S-230	Crew Boss (Single Resource)	Cost: \$195.00/ \$225.00
<p>This is a classroom course designed to produce student proficiency in performance of all duties associated with the single resource boss position, from initial dispatch to return to home unit. Topics include: preparation and mobilization, assignment preparation, tactics and safety, off-line duties, demobilization and post-incident activities. This course is required training for personnel desiring to be qualified as a single resource boss.</p> <p>**Prerequisite(s): Qualified as Firefighter Type 1 (FFT1); successful completion of S-290; satisfactory completion of pre-course work.</p>		
S-231	Engine Boss (Single Resource)	Cost: \$130.00/ \$150.00
<p>This is a skill course designed to produce student proficiency in the performance of the duties associated with engine boss, single resource (ENGB). Topics include: engine and crew capabilities and limitations, information sources, fire size-up considerations, tactics, and wildland/urban interface.</p> <p>**Prerequisite(s): Qualified a Firefighter Type 1 (FFT1); successful completion of S-230.</p>		
S-236	Heavy Equipment Boss (Single Resource)	Cost: \$195.00/ \$225.00
<p>This course is designed to meet the training needs of a Heavy Equipment Boss on an incident as outline in PMS 310-1. Primary considerations are tactical use and safety precautions required to establish and maintain an effective dozer operation. A field exercise is required as part of the course.</p> <p>**Prerequisite(s): Qualified as a firefighter type 1 (FFT1); satisfactory completion of the pre-course work.</p>		
S-270	Basic Air Operations	Cost: \$130.00/ \$150.00
<p>This course covers aircraft types and capabilities, aviation management and safety for flying in and working with agency aircraft, tactical and logistical uses of aircraft, and requirements for helicopter take-off and landing areas. This course is required training for all personnel desiring to be qualified as a Single Engine Air Tanker Manager (SEGM). Also supports development skills for single resource bosses, Helicopter Manager, Aircraft Dispatcher and other positions that require basic knowledge of aviation operations.</p> <p>**Prerequisite(s): Satisfactory completion of pre-course work</p>		
S-271	Helicopter Crewmember	Cost: \$260.00/ \$300.00
<p>This is a combined classroom/field course designed to provide student proficiency in all areas of the tactical and logistical use of helicopters to achieve efficiency and standardization. Topics include: safety, personal protective equipment, capabilities and limitations, load calculations, helicopter makes and models, landing areas, fueling, contract administration, cargo transport, and helibase/ helispot organization and operations. The following IAT A-courses curriculums are intergraded and may be credited upon completion of this course: A-105 Aviation Life Support Equipment, A-113 Crash Survival, and A-219 Helicopter Transport of External Cargo.</p> <p>**Prerequisite(s): Qualified as a firefighter type 2 (FFT2).</p>		
S-290	Intermediate Wildland Fire Behavior	Cost: \$260.00/ \$300.00
<p>This is a classroom-based skills course designed to prepare the prospective fire line supervisor to undertake safe and effective fire management operations. It is the second course in a series that collectively serves to develop fire behavior prediction knowledge and skills. Target group: personnel desiring to be qualified as any single resource boss or fire effects monitor (FEMO)</p> <p>**Prerequisite(s): Successful completion of S-190; satisfactory completion of pre-course work.</p>
